

The Drummond Patio Home

By Nies Homes

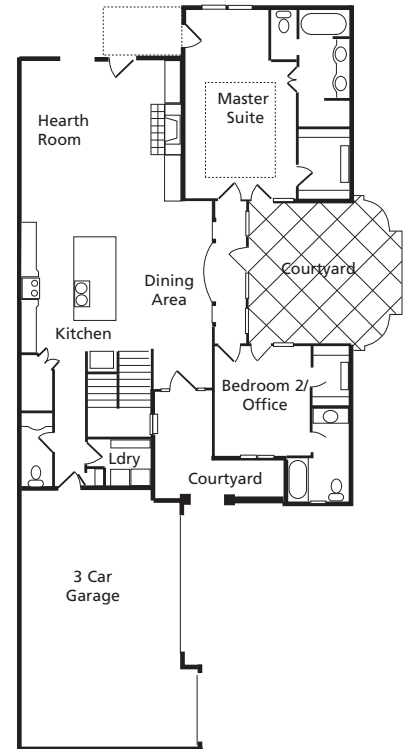

The Drummond by Nies Homes delivers luxury, beauty, and affordability on the golf course. A rare find, this exceptional new patio home is designed to enhance your lifestyle with spectacular views, a very private courtyard and open floor plan.

The master suite with a coffered ceiling, large walk-in closet, his and hers sinks, and direct access to the patio and courtyard is sure to capture your attention. The open layout featuring a gourmet kitchen, dining area and hearth room makes entertaining fun and easy while the three car garage provides a place for your vehicles and a golf cart. Ideally suited for relaxing, entertaining or exercising, the optional lower level finish can be incorporated into your lifestyle.

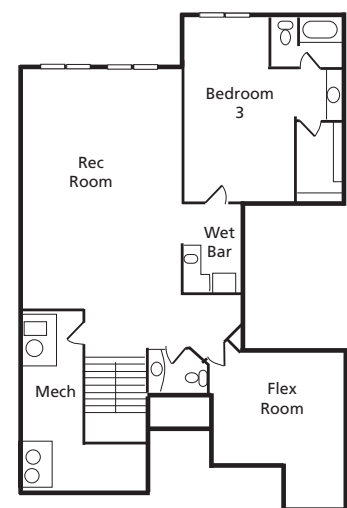

Dunning Hill at Terradyne is a unique opportunity to live on the golf course in low maintenance patio home where you can spend your time doing the things you truly enjoy.
