

# Dunning Hill

At TERRADYNE  
versatility in living

Dunning Hill at Terradyne brings an exciting new concept in living that elevates Garden Homes to a new level with dynamic floor plans and an extensive list of amenities to choose from. Public venues for dining and relaxing, as well as Terradyne Country Club specifics of golf, swimming, tennis, fitness center, and social events are all within walking distance. Furthermore, your new home in Dunning Hill includes a free Terradyne Country Club membership (monthly dues apply).

As a low maintenance neighborhood, Dunning Hill makes it easy for you to find time for your favorite activities, travel or being with family.

Set around a one-of-a-kind golf driving range, these homes allow you to golf from your backyard or walk to the restaurant or spa at Terradyne.

Innovative builders, Nies Homes and Goentzel Construction, have created exquisite elevations and floor plans that enhance the living experience of this truly dramatic setting.
