

GOLF RULES

1. Rules of Play:

- A. USGA rules shall govern play at all times, except as modified by local rules.
- B. Members shall observe good golf etiquette at all times.

2. Dress:

- A. All players shall wear proper clothing.
- B. **Acceptable golf attire includes: long slacks, golf skirts, golf shorts, sweaters, jackets, and golf shoes. T-shirts are not permitted. Men's shirts without collars are not permitted, nor are blue jeans or gym-type shorts, for men or women.**
- C. Acceptable golf attire must be worn on the golf course, driving range, and putting greens at all times.
- D. It is the member's responsibility to inform his/her guests of the dress code and ensure that his/her guests wear proper attire.

3. Golf Registration:

- A. All members and guests must register in the Golf Shop before starting play.
- B. Starting point for all play is the number one tee, unless permission to commence elsewhere has been obtained from the Golf Shop.

4. Use of the Course:

- A. The golf course superintendent is authorized to determine when the golf course is unsuitable for play or for the use of golf carts, due to weather conditions or a course maintenance program.
- B. Club scheduled activities and tournaments shall take precedence over regular play. Management will schedule most major "outside" tournaments on Mondays.

5. Allowable Groups:

- A. Members are encouraged to play in foursomes.
- B. **Fivesomes are not permitted on holidays and weekends before 12:00 PM.**

6. Junior Play:

- A. Junior members and junior member's guests (children under 14 years of age) in order to be qualified to play without being accompanied by an adult player, must be certified by the Golf Professional as to their knowledge of golf etiquette and playing ability.
- B. Non-qualified junior players (13 & under) must be accompanied at all times by an adult player and may not play on weekends before noon.

7. Guests:

- A. Non-Resident Guests (those whose principal residence is 50 miles or more from the club):
 - 1. Guests who are members of a club with a PGA Professional may play with reservations made 24 hours in advance subject to available tee time.
- B. Resident Guests:
 - 1. Member must accompany his/her resident guests while playing. Unaccompanied guests will not be allowed unless the circumstance is special and approved by the Golf Shop.
 - 2. Member may have guests on weekdays, weekends, and holidays. The member must accompany guests. Each resident guest may play the course 8 times during the calendar year.

8. Practice on Course:

- A. Practice of any kind, putting or second shots, is discouraged.
- B. No player shall have more than one ball in play at any time.
- C. All practice shall be confined to the practice range, putting and chipping greens.

9. Slow Play:

- A. Position on the golf course must be maintained except when allowing faster players to play through.
- B. All golfers are to maintain a reasonable rate of play. When unable to do so, for any reason, they must yield to faster players. Play shall not resume until such players are out of range.

10. Rules Regulating Golf Carts:

- A. Carts shall not be driven on or across any tee or green, on the slope of a bunker, through a trap and no closer than 60 feet from any green. **Carts must remain on cart paths on all par 3's, and around the tees and greens.**
- B. No more than two golf bags or two players per cart unless prior approval is obtained from the Golf Shop. All players must have their own bag and clubs.
- C. Members and their guests will be responsible for any damage to a golf cart while it is in their possession.
- D. **ALL players renting Terradyne carts must pair up (2-players per cart) if possible.**

11. Practice Facility:

The Practice Facility will open 30 minutes prior to the opening of the golf course, and will remain open until 1 hour prior to sunset. All practice must be confined to the practice area. Range balls are **not** to be removed from the designated practice areas. Proper golf attire and etiquette must be used at all times when using the practice facilities.

12. Handicaps:

The USGA Golf Handicap System uses the best 10 scores out of a player's last 20 rounds compared with the course slope rating (not par) in the conviction that, when faithfully operated, it results in equitable handicaps no matter where golfers play. The computer is designed for the new equitable stroke control system as described below:

18-hole course handicap:	Maximum # posted on any hole:
9 or less	Double Bogey
10-19	7
20-29	8
30-39	9
40 and above	10

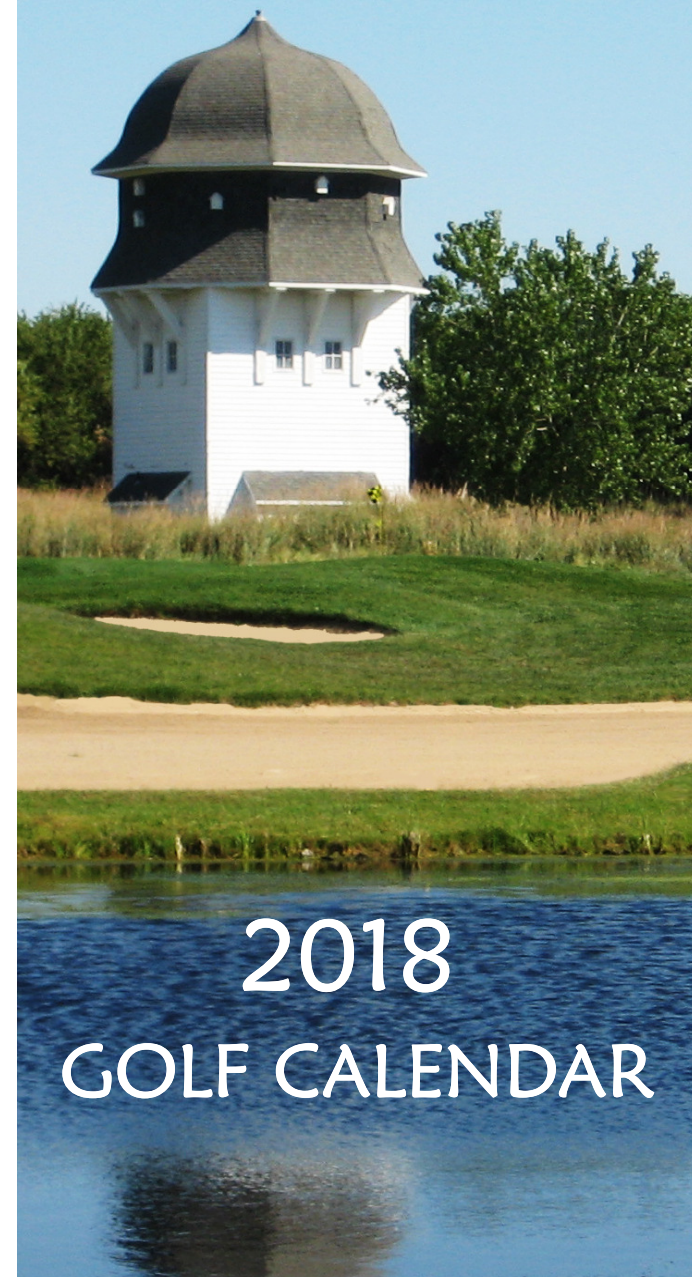

You must turn in your scorecards for all scores, home and away using the equitable stroke control system above, along with the course and slope rating. The handicap committee shall ensure that all acceptable scores are reported for handicap purposes.

13. Miscellaneous:

- A. Fishing for balls in lakes or streams is limited to the ball you hit and may not consume time so that the play will be slowed.
- B. No wading, swimming or fishing in any body of water on the golf course.
- C. Outside food and alcoholic beverages are not permitted on club property.
